The Association shall have power further to elect a President and Vice-Presidents. All Officers shall retire annually, but shall be eligible for re-election. The Executive Committee shall have power to create and fill any other office which in its opinion is necessary.

## EXECUTIVE COMMITTEE

- 8.—(a) The control of the affairs of the Association shall be managed by an Executive Committee, consisting of the Chairman, Hon. General Secretary, Hon. Treasurer and six other elected members, who shall each represent a League. The Executive Committee shall have power to co-opt not more than two other members of the Association.
- (b) The quorum necessary for the transaction of the business of the Committee shall be five.
  - (c) Except as herein otherwise provided, every question at a meeting of the Committee shall be determined by a majority of the members present and voting, every member having one vote except the Chairman who shall be entitled to a casting vote in the case of an equality of votes.
  - (d) The Committee may delegate any of its duties to Committees consisting of such persons as it thinks fit. Any Committee so formed shall, in the performance of the duties so delegated, conform to any regulations that may be imposed on it by the Executive Committee.
  - (e) The Committee shall have power to fill casual vacancies in the membership of the Committee, but any member or members so appointed shall hold office only until the next Annual General Meeting of the Association.

(f) Forms of nomination for the election of Officers, including the Executive Committee, shall be forwarded by the Hon. (h) The voting for the election of Officers, including the Executive Committee, shall be determined as follows: Each affiliated local Association, local League or directly affiliated Club shall be entitled to one vote for each vacancy, but whereas the vote of a directly affiliated Club shall be worth one point, the vote of a local Association or local League shall be worth ten points.

(i) Subject to the control of the Annual General Meeting, the administration of the Rules and Regulations of the Association shall be vested solely in the Executive Committee, who shall decide all matters relating to inter-county matches, inter-league matches, other representative matches, teams, open tournaments, closed tournaments, conferences, etc., as affecting the Association. The Executive Committee shall also decide any other questions falling within its jurisdiction, and affecting the well-being of the game in the area covered by the Association.

## MIDDLESEX INTER-LEAGUE CHAMPIONSHIPS RULES AND REGULATIONS

- 1.—(a) The competition shall be known as the Middlesex Inter-League Championships.  
(b) No addition to, or alteration or rescission of the Rules shall be effected unless at the Annual General Meeting or at a Special General Meeting convened for the purpose. Any proposed addition to or alteration or rescission of the Rules shall be submitted to the Honorary General Secretary before the 15th May, or together with the demand for a Special General Meeting.  
(c) Decisions on all proposals submitted under Rule 1 (b) shall be taken on a simple majority, each League represented being entitled to one vote. Proxies will only be recognized if they have been given in writing and refer to a specific decision on a specific resolution proposed.
- 2.—There shall be one Premier Division, two Second Divisions (A and B), and as many other and Junior Divisions as may become necessary.
- 3.—Leagues may enter as many teams as they wish, but not more than two in any one Division.  
(a) In the Senior Divisions at the end of each season, relegation and promotion shall be on the basis of the two lowest teams in the Premier Division being relegated to the Second Divisions, and the winners of the two sections of the Second Division being promoted to the Premier Division, except that in the event of a League's 2nd and 3rd teams winning Sections A and B of the Second Division only the 2nd team of that League may be promoted. (See opening paragraph of this Rule.) In such a case the runners-up in the relevant section shall be promoted.

- (b) In the Junior Divisions the highest teams in each division shall compete in play-offs at the end of the season on a "knock-out" basis for the Junior Championships. The venues for all play-offs to be by mutual agreement and if such be impossible they shall be arranged by the Executive Committee. Drawn play-offs shall be decided by total games won and if still at equality by the number of points won.
- (c) If two Leagues are level on points their respective sets average shall determine the position; if level on sets then games average shall be the deciding factor; if level on games then points average shall be used to determine the final position.
- (d) In the event of a League having more than one team in any one Division, players must be clearly nominated for each such team. No player may play for more than one team in that Division.
- 4.—The winner of the Premier Division shall be entitled to hold the Norman Pegg Challenge Trophy for one season.
- 5.—Where there are four teams in a division, they shall each play each, home and away in the same season, but where there are more than four teams, they shall play each other only once per season, home and away in alternate seasons.
- 6.—The Home League shall retain the whole of any proceeds from a match.
- 7.—A match shall consist of nine ties, each the best of three games, comprising, in the Senior Divisions, six men's singles, two ladies' singles, and one ladies' doubles, and in the Junior Division, six boys' singles, one girls' singles, one boys' doubles and one mixed doubles. No boy shall play in more than three ties.
- 8.—Subject to any arrangement mutually agreed upon, the order of play in the Senior Divisions shall be

- as follows (A, B, and C being the home men in order of merit, D and E being the home ladies in order of merit, and X, Y and Z being the away men in order of merit, V and W being the away ladies in order of merit): C v Z, Ladies' Doubles A v Y, B v X, E v W, C v Y, B v Z, D v V, A v X, and the order of play in the Junior Division shall be (A, B and C being the home boys in order of merit, and X, Y and Z being the away boys in order of merit): C v Z, Girls' Singles, A v Y, B v X, Mixed Doubles, C v Y, B v Z, Boys' Doubles, A v X.
- All matches must start not later than 7.30 p.m. Any players not available to play when his tie is called shall forfeit that particular tie, 15 minutes shall be allotted to each tie, except where the order of play is altered by mutual agreement of the captains before the commencement of play.
- It is the responsibility of the Home League to ensure that a score sheet is sent to the Hon. Inter-League Secretary within 48 hours of each match being played.
- 9.—Two points shall awarded for a win.
- 10.—All matches must be played during the period fixed with the exception that matches may be played earlier by mutual consent. Postponements will not be granted unless through exceptional circumstances, such postponement to be authorized in writing by the Hon. Secretary of the Competition. Failure to play a match at the proper time may result in a match being awarded.
- 11.—It shall be the duty of the home league match secretary to submit to the away league match secretary two dates at least 14 days before the commencement of the period in which the match is due to be played, and the away league must accept one of these dates at least 7 days before the commencement of the said period. No match shall be played, or date offered, to clash with a Middlesex County match, or during the

period of the Closed Championships. The away league may appeal against any suggested dates which clashes with the final stages of an Open Tournament.

The Friday and Saturday of a one-week or longer Open Tournament shall be construed as the final stages. A date-clash with a county match in which Middlesex is not concerned shall not become the basis of an appeal. Any appeal must be received by the Hon. Secretary of the Competition at least eight days before a period is due to commence.

12.—Any home league failing to offer two dates 14 days before the commencement of the period concerned shall pay a fine of five shillings for the first offence and one pound for all subsequent offences. Any away league failing to accept one date 7 days before the commencement of the period concerned, or lodging an appeal under Rule 11 shall pay a fine of one pound for each and every offence. The away league may also be called upon to pay if an appeal is considered ill-founded. Any fines must be sent to the Hon. Treasurer immediately upon request of the Hon. Secretary of the Competition.

13.—All players to be registered in order of merit, at the commencement of the season (15th October) with the Hon. Secretary of the Competition. Additional players can be registered, and the order of merit altered, on the 1st of each subsequent month. No player may play for more than one league in the competition in any one season, and all players must be duly registered members. Registered players shall be entitled to represent their league if:

(a) They play in at least 50 per cent, of their Club's league matches, to be calculated at the time of the playing of each inter-league match in question.

or (b) They shall have represented the league in a previous season, subject to not having subsequently played for another league.

or (c) They shall be permanently resident in the area controlled by, and available to play for, the Middlesex Table Tennis Association, and shall never have represented any league in the competition in any previous season.

or (d) They shall not represent different leagues in successive seasons.

14.—A player having played more than once for any higher team, shall not be eligible to play for any lower team. In the event of a League having more than one team in a division players must, in addition to being registered in order of merit, be registered for the team in which they are intended to play. The first three men and two lady players in a League's order of merit are eligible to play for their first team only.

15.—The annual subscription shall be 7/6d. for each team entered in the Senior Divisions and 5/- for each team entered in the Junior Division.

16.—Any player participating in the Junior Section shall be under nineteen years of age on the preceding 1st October.

17.—The County Executive Committee shall decide on all disputes concerning the contravention or interpretation of any of the foregoing Rules, and shall have power to impose such fines as they may deem necessary. The Committee's ruling on all points shall be final and binding.

The upper surface of the table shall be termed the "playing surface":  $\frac{1}{2}$  shall be matt, of a dark colour, with a white line  $\frac{3}{4}$  in. broad along each edge.

The lines at the 5 ft. edges or ends of the playing surface shall be termed "end lines." The lines at the 9 ft. edges or sides of the playing surface shall be termed "side lines."

### 2.—The Net and its Supports

The net shall be suspended by a cord and attached at each end to an upright post 6 in. high; the outside limits of each post shall be 6 in. outside the side line on the same side.

### 3.—The Ball

If the blade is covered on either side, this covering may be either (a) of plain, ordinary or pimples rubber, with pimples outward, of a total thickness of not more than 2 mm.; or (b) of "sandwich" consisting of a layer of cellular rubber surfaced by plain ordinary pimples rubber—turned outwards or inwards—in which case the total thickness of covering of either side shall not be more than 4 mm.

DEFINITION: For the purpose of Law 4 plain, ordinary pimples rubber shall be defined as follows:

(48)

### 7.—The change of Ends and Service

After five points the striker-out shall become the server and the server the striker-out, and so on after each five points until the end of the game or the score 20 all. At the score 20 all, the striker-out shall become the server, and the server the striker out, and so on after each point until the end of the game. The player who served first in a game shall be striker-out first in the immediately subsequent game, and so on until the end of a match.

The player who started at one end in a game shall start at the other in the immediately subsequent game, and so on until the end of the match. Where the match consists of only one game, or, where it consists of more than one game, in the deciding game of the match, the players shall change ends at the score ten.

### 8.—Out of Order of Ends or Service

In any circumstances all points scored before the discovery shall be reckoned.

If the players shall not have changed ends when ends should have been changed, the players shall change ends as soon as the mistake is discovered, unless a game shall have been completed since the error, when the error shall be ignored. In any circumstances, all points scored before the discovery shall be reckoned.

The player who first strikes the ball during a rest shall be termed the server.

The player who next strikes the ball during a rest shall be termed the striker-out.

If the ball in passing over the net, or round the net, touch it or its supports, it shall, nevertheless, be considered to have passed directly, except as referred to in Law 12 (a).

"Round the net" shall be considered as including "under or round the projection of the net and supports outside the side line."

If the ball in play come into contact with the racket or racket hand, not yet having touched the playing surface on one side of the net since last being struck on the other side, it shall be said to have been volleyed.

The racket hand is the hand carrying the racket; the free open hand is the hand not carrying the racket.

#### 18.—The Table

The surface of the table shall be divided into two parts by a white line  $\frac{1}{2}$  in. broad, running parallel with the side lines and distant equally from each of them. This line shall be termed the service line. The part of the table surface on the nearer side of the net and the right of the service-line in respect to the server, shall be called the server's right

half-court, that on the left in respect to him, the server's left half-court. The part of the table surface on the farther side of the net, and the left of the service-line in respect to the server, shall be called the striker-out's right half-court, that on the right in respect to the server the striker-out's left half-court.

#### 19.—A Good Service

The service shall be delivered as otherwise provided in Law 10, and so that it touch first the server's right half-court or the centre line on his side of the net, and then, passing directly over or round the net, touch the striker-out's right half-court or the centre line on his side of the net.

The third five services shall be delivered by the partner of the server of the first five services. The fourth five services shall be delivered by the partner of the striker-out of the first five services and received by the server of the first five services. The fifth five services shall be delivered as the first five services. And so on in sequence, until the end of the game or the score 20 all, when the sequence of serving and striking-out shall be uninterrupted, but each player shall serve only one service in turn until the end of the game.

In a one-game match, or in the deciding game of a match of more than one game, the pair that served the first five services has the right to alter their order of striking-out or that of their opponents at the score 10.

#### 22.—Out of Order of Striking-out

If a player act as striker-out out of his turn, play shall be interrupted as soon as the mistake is discovered and shall continue with that player striking-out who, according to the sequence established at the beginning of the game, or at the score 10 if that sequence has been changed under Law 21, should be striker-out at the score which has been reached. In any circumstances all points scored before the discovery shall be reckoned.

#### 23.—The Order of Play

The server shall first make a good service, the striker-out shall then make a good return, the partner of the server shall then make a good return, the partner of the striker-out shall then make a good return, the server shall then make a good return, and thereafter each player alternately in that sequence shall make a good return.

#### Appendix to Laws — KNOTTY POINTS Decisions of the Rules Committee of the International Table Tennis Federation.

##### 1.—Edge Balls

The phrase "table surface" is to be interpreted as including the top edges and corners of the table top, and a ball in play which strikes these latter is therefore good and still in play; though if it strikes evidently the side of the table top below the edge, it becomes dead and counts against the last striker.

##### 2.—Ball returned with Empty Hand

If a player drops his racket, he cannot return the ball with empty hand.—(See definition, "the racket hand is the hand carrying the racket").

### 3.—Racket Thrown at Ball

If in returning the ball the racket leave the player's hand, it is a good return only if it were still in his hand at the moment of contact with the ball: See Law 11. ("a ball ... shall be struck), and if it do not touch the net or move the table surface (Law 13 (e), (d)) before the ball is out of play.

### 4.—Missed Service

If a player in attempting to serve, miss the ball altogether, it is a lost point (Laws 10 and 15), because the ball is in play the moment it left the server's hand, and a good service has not been made of the ball already in play.

### 5.—Volleyed Net Service

A net service is a let now only if otherwise good but also if it be volleyed by the striker-out. (See Laws 12 (a) and 14 (b).)

### 6.—"Open hand" in Service: Physical Disability

Strict observation of the prescribed method of service may be waived where the Umpire is notified, before play begins, that compliance by the player in question is prevented by physical disability.

### 7.—Ball Fractured in Play

If the ball split or become otherwise fractured in play, affecting a player's return, the rest is a let (Law 12 (c)). It is the umpires' duty to stop play, recording a let, when he has reason to believe that the ball in play is fractured or imperfect; and to decide those cases in which the faulty ball is clearly fractured in actually going out of play, and in no way handicaps the player's return, when the point should be scored. In all cases of doubt, however, he should declare a let.

### 8.—Fixtures

A moving spectator, a neighbouring player, a sudden noise, i.e. any neighbouring object *in movement* except a partner should be regarded as an accident not under control (Law 12 (e)), interference from which implies a let. A stationary spectator, fixed seating, the umpire, the light, a nearby table, a continuous sound, of even volume, i.e. any *relatively constant or motionless* hazard, should not be so regarded, and complaint against interference from it during play should be regarded as void.

### 9.—Service Visible to Umpire

It is the responsibility of the server to serve so that the correctness of his service can be checked by the Umpire. If the server is serving so that the Umpire's view is obstructed, the Umpire shall warn him, and, on any subsequent occasion on which his view is obstructed, and he may have doubt about the correctness of the service, the Umpire shall call a fault.

## SPECIAL NOTES

### 1. Table, Ball and Racket

You will see that the I.T.T.F. has amended the Laws of Table Tennis relating to the Table (Law 1), the Ball (Law 3) and the Racket (Law 4) so that the word "matt" replaces the words "non-reflecting" and "not brightly reflecting" in these Laws. A more detailed specification of the word "MATT" is added as a recommendation, as follows:—

"The requirement of a 'matt' surface for the Table (Law 1), the Ball (Law 3) and the Racket (Law 4) is to prevent a dazzling reflection of light from distracting the eye of the player, as well as discouraging the use of shiny materials in actual play."

The E.T.T.A., in bringing this change of wording and recommendation to the knowledge of players and Leagues, appreciate that it will take time to bring this into effect but state that they will be working to this end in the coming season.

### 2. Colour of Clothing and Racket

At the I.T.T.F. Congress meeting the question of the colour of clothing was discussed. The outcome of this was that a further recommendation was made as follows: "Players shall not wear white or light coloured clothing which might tend to distract or unsight the opponent. The decision as to the offence under this rule shall be with the Referee."

A general statement regarding both the Racket and the Colour of Clothing was then issued which read as follows:

"As well as discouraging the wearing of light materials or use of light coloured racket surface in actual play, Associations should take positive steps, by an approach to Manufacturers, etc., and by approving dark materials, to ensure the use of uniform or otherwise suitable types of wear, and racket surfaces that comply with this specification.

"When rubber is used on both sides of a racket, the colour shall be similar: when wood is used for either side, or for both sides, it should be dark, either naturally, or by being stained (not painted) in such a way as not to change the character of its surface.

"NOTE: The part of the blade nearest the handle and gripped by the fingers may be covered with cork or other material for convenience of grip: it is to be regarded as part of the handle."

As stated above, the E.T.T.A. appreciate that it will take time to put this into effect, but they will be working towards this end during the coming season.

### 3. Pushing Play

The I.T.T.F. Congress decided that the experimental rule regarding pushing play had been successful and should now become a regulation. For all Open Tournaments in the 1963/64 season, the E.T.T.A. have therefore decided to adopt the following regulation:

"If a game be unfinished fifteen minutes after its commencement, the umpire (or timekeeper if one be officiating) shall cause the game to be interrupted by declaration of a 'Let' and the players shall be notified before the next service that the game in progress will proceed under the following rule:

"The player shall be permitted to hit the ball 12 times excluding the service stroke, and if all such strokes are safely returned by the opponent, one point shall be scored by the opponent.

"The server for the point interrupted shall serve for the first point after the interruption, and thereafter the service shall alternate after each point whilst this rule is in force.

"Where in a match, this rule has been applied in one game it shall be applied ten minutes after commencement in each of the subsequent games of the match.

"Counting shall be carried out by an official other than the umpire (by the time-keeper if one be officiating)."
