### RULES AND REGULATIONS

---

#### NAME

- 1.—The Association shall be called the Middlesex Table Tennis Association.

#### OBJECTS

- 2.—To act as the controlling and governing body of the game of table tennis in that area defined by the English Table Tennis Association as the 'County of Middlesex,' subject to any over-riding decisions of the English Table Tennis Association.

#### CONSTITUTION

- 3.—The Association shall consist of:—
- (i) President, Vice-Presidents and duly elected officers.
  - (ii) Local associations, local leagues and directly affiliated clubs, all of whom shall be duly affiliated to the English Table Tennis Association and who shall be either within the County of Middlesex or deemed eligible for membership by the English Table Tennis Association.
  - (iii) Directly affiliated individual members.

#### ELECTION

- 4.—Applications for affiliation to the Association shall be made on the current affiliation form by a responsible officer of the applicant Association, League or Club, who shall sign it and return it in accordance with the directions thereon. Applications for individual membership shall be made on the current application form, signed by the applicant.

### SUBSCRIPTION

- 5.—The Annual Subscription shall be as follows:—  
(a) Local Association and Local Leagues: 2/- for each team in the Association or League. Each Club will be entitled to one free copy of the Association's handbook.  
(b) Directly affiliated Clubs: 5/- for each Club affiliating directly whether a member of a local Association, local League or not.  
(c) Directly affiliated individual members: 5/-.
- 6.—All subscriptions shall be paid to the Hon. Treasurer of the Association not later than 15th November each year.

### PRESIDENTS AND VICE-PRESIDENTS

- 7.—The President and Vice-Presidents shall be elected annually by the Annual General Meeting.

### OFFICERS

- 8.—The Honorary Officers of the Association shall be: Chairman; Hon. General Secretary; Hon. Treasurer.

### EXECUTIVE COMMITTEE

- 9.—(a) The affairs of the Association shall be managed by an Executive Committee, consisting of the President, Chairman, Hon. General Secretary, Hon. Treasurer, eight other elected members, and the English Table Tennis Association Councillor, if not one of the above. All members of the Committee shall retire annually, but shall be eligible for re-election.

(b) The quorum necessary for the transaction of the business of the Committee shall be six.

(c) At its first meeting after the Annual General Meeting, the Executive Committee shall elect from its members a Deputy Chairman.

(d) The Executive Committee shall have power to co-opt not more than two other members of the Association; to fill casual vacancies in its membership; and to create and fill any other office which in its opinion is necessary. Of the members so appointed, only co-opted members shall have the right to vote at Executive Committee meetings, and all of them shall hold office only until the next Annual General Meeting of the Association.

(e) Except as herein otherwise provided, every question at a meeting of the Committee shall be determined by a majority of the members present and voting, every member having one vote. In the event of equality of votes, the Chairman shall have a second, or casting vote.

(f) The Committee may delegate any of its duties to Sub-Committees, consisting of such persons as it thinks fit. Any Sub-Committee so formed shall, in the performance of the duties so delegated, conform to any regulations that may be imposed on it by the Executive Committee.

(g) Forms of nomination for the election of Officers, and other members of the Executive Committee, shall be forwarded by the Hon. General Secretary to all Secretaries of local Associations, local Leagues and directly affiliated Clubs in membership at least 28 days before the date fixed for holding the Annual General Meeting. Each local Association, local League or directly affiliated Club shall be entitled to nominate as many persons as there are vacancies to be filled, and no more. No nomination will be effective unless received by the Hon. General Secretary within fourteen days of the issue of the nomination paper.

(h) The voting for the election of Officers, and other members of the Committee, shall be by postal vote (if there are more valid nominations than vacancies to be filled), which shall be conducted in such a manner as may be determined from time to time. Each elector shall be entitled to vote for as many candidates as there are vacancies to be filled. Scrutineers shall be appointed by the Executive Committee to determine any questions as to the validity of nomination papers, and ascertain the result of any postal vote held under the provisions of this rule.

(i) The voting for the election of Officers, and other members of the Executive Committee, shall be determined as follows:— Each affiliated local Association, local League or directly affiliated Club shall be entitled to one vote for each vacancy, but whereas the vote of a directly affiliated Club shall be worth one point, the vote of a local Association or local League shall be worth ten points.

(j) The election of the English Table Tennis Association Councillor shall be carried out as laid down by the English Table Tennis Association.

(k) Subject to the control of the Annual General Meeting, the administration of the Rules and Regulations of the Association shall be vested solely in the Executive Committee, who shall decide on all matters relating to inter-county matches, inter-league matches, other representative matches, teams, open tournaments, closed tournaments, conferences, etc., as affecting the Association. The Executive Committee

shall also decide any other questions falling within its jurisdiction, and affecting the well-being of the game in the area covered by the Association.

(I) Each Sub-Committee appointed by the Executive Committee shall elect its own Chairman and Secretary (where necessary), one of whom will be responsible for presenting to the Executive Committee at its ensuing meeting, the report of the Sub-Committee.

- (b) Resolutions affecting all matters concerning the Constitution of the Association shall be subject to block voting.
- (c) Other matters may be decided by voting on a show of hands at the discretion of the Chairman.
- (d) In block voting, each directly affiliated Club shall be entitled to one vote, each affiliated Association and League to a number of votes equal to one-half of its affiliated team strength or to the nearest higher whole number, but no directly affiliated individual is entitled to vote.
- (e) Proxies will only be recognised if they have been given in writing, and refer to a specific decision on a specific resolution proposed.
- (f) Before any resolution affecting the Constitution

of the Association can be declared carried, at least three-fifths of the total votes cast shall be in favour of the Resolution.

(h) The ruling of the Chairman on any points of order on the application of Rule 12 to the conduct of A.G.M.s shall be final unless challenged by not less than two members. Unless two-thirds of the members present vote to the contrary when the point is put to the vote, the Chairman's ruling shall stand.

(i) Without first obtaining the consent of the Chairman, no member shall be allowed to speak more than once upon any subject before the meeting, or on a point of order; or explanation, except the mover of the original motion. for the purpose. Any proposed addition to, or alteration or rescission of, the Rules shall be submitted in writing to the Hon. General Secretary before 15th May, or together with the demand for a Special General Meeting.

(b) All proposed additions, alterations or rescissions to the rules shall be circulated to all affiliated members, together with the Agenda, not later than fourteen days before the date fixed for an Annual or Special General Meeting.

## MIDDLESEX INTER-LEAGUE CHAMPIONSHIPS RULES AND REGULATIONS

- 1.—(a) The competition shall be known as the Middlesex Inter-League Championships.  
(b) No addition to, or alteration or rescission of the Rules shall be effected unless at the Annual General Meeting or at a Special General Meeting convened for the purpose. Any proposed addition to or alteration or rescission of the Rules shall be submitted to the Honorary General Secretary before the 15th May, or together with the demand for a Special General Meeting.  
(c) Decisions on all proposals submitted under Rule 1 (b) shall be taken on a simple majority, each League represented being entitled to one vote. Proxies will only be recognised if they have been given in writing and refer to a specific decision on a specific resolution proposed.
- 2.—There shall be a Premier Division, a Second Division, and as many other Divisions (Third, Fourth Junior, etc.) as are necessary.
- 3.—Leagues may enter as many teams as they wish, but not more than two in any one Division.  
(a) In the Senior Divisions at the end of each season, relegation and promotion shall be on the basis of the two lowest teams in the Premier Division being relegated to the Second Division, and the two top teams in the Second Division being promoted to the Premier Division, subject to the opening paragraph of this rule. Promotion to, and relegation from, the Second Division, and etc., shall be governed in a like manner.  
(b) In the Junior Divisions the highest teams in each division shall compete in play-offs at the end of the season on a "knock-out" basis for the Junior Championships. The venues for all play-offs to be by mutual agreement and if such be impossible they shall be arranged by the Executive Committee. Drawn play-offs shall be decided by total games won and if still at equality by the number of points won.  
(c) If two Leagues are level on points, their respective sets average shall determine the position; if level on sets, then games average shall be the deciding factor; if level on games, then points average shall be used to determine the final position.

(d) In the event of a League having more than one team in any one Division, players must be clearly nominated for each such team. No player may play for more than one team in that Division.

- 4.—The winner of the Premier Division shall be entitled to hold the Norman Pegg Challenge Trophy for one season.
- 5.—Where there are four teams in a Division, they shall each play each, home and away in the same season, but where there are more than four teams, they shall play each other only once per season, home and away in alternate seasons.
- 6.—The Home League shall retain the whole of any proceeds from a match.
- 7.—A match shall consist of nine ties, each the best of three games, comprising, in the Senior Divisions, six men's singles, two ladies' singles, and one ladies' doubles, and in the Junior Division, six boys' singles, one girls' singles, one boys' doubles and one mixed doubles. No boy shall play in more than three ties.
- 8.—Subject to any arrangement mutually agreed upon, the order of play in the Senior Divisions shall be as follows (A, B and C being the home men in order of merit, D and E being the home ladies in order of merit, and X, Y and Z being the away men in order of merit, V and W being the away ladies in order of merit) : C v. Z, Ladies' Doubles A. v. Y, B v. X, E v. W, C v. Y, B v. Z, D v. V, A v. X, and the order of play in the Junior Division shall be (A, B and C being the home boys in order of merit, and X, Y and Z being the away boys in order of merit) : C v. Z, Girls' Singles, A v. Y, B v. X, Mixed Doubles, C v. Y, B v. Z, Boys' Doubles, A v. X.

All matches must start not later than 7.30 p.m. Any players not available to play when his tie is called shall forfeit that particular tie; 15 minutes shall be allotted to each tie, except where the order of play is altered by mutual agreement of the captains before the commencement of play.

It is the responsibility of the Home League to ensure that a score sheet is sent to the Hon. Inter-League Secretary within 48 hours of each match being played.

9.—Two points shall be awarded for a win.

- 10.—All matches must be played during the period fixed with the exception that matches may be played earlier by mutual consent. Postponements will not be granted unless through exceptional circumstances, such postponement, to be authorised in writing by the Hon. Secretary of the Competition. Failure to play a match at the proper time may result in a match being awarded.
- 11.—It shall be the duty of the home league match secretary to submit to the away league match secretary two dates at least 14 days before the commencement of the period in which the match is due to be played, and the away league must accept one of these dates at least 7 days before the commencement of the said period. No match shall be played, or date offered, to clash with a Middlesex County match, or during the period of the Closed Championships. The away league may appeal against any suggested dates which clash with the final stages of an Open Tournament. The Friday and Saturday of a one-week or longer Open Tournament shall be construed as the final stages. A date-clash with a county match in which Middlesex is not concerned shall not become the basis of an appeal. Any appeal must be received by the Hon. Secretary of the Competition at least eight days before a period is due to commence.
- 12.—Any home league failing to offer two dates 14 days before the commencement of the period concerned shall pay a fine of five shillings for the first offence and one pound for all subsequent offences. Any away league failing to accept one date 7 days before the commencement of the period concerned, or lodging an appeal under Rule 11 shall pay a fine of one pound for each and every offence. The away league may also be called upon to pay if an appeal is considered ill-founded. Any fines must be sent to the Hon. Treasurer immediately upon request of the Hon. Secretary of the Competition.
- 13.—All players to be registered in order of merit, at the commencement of the season (15th October) with the Hon. Secretary of the Competition. Additional players can be registered, and the order of merit altered, on the 1st of each subsequent month. No player may play for more than one league in the competition in

any one season, and all players must be duly registered members. Registered players shall be entitled to represent their league if :

(a) They play in at least 50 per cent. of their Club's league matches, to be calculated at the time of playing of each inter-league match in question.

or (b) They shall have represented the league in a previous season, subject to not having subsequently played for another league.

or (c) They shall be permanently resident in the area controlled by, and available to play for, the Middlesex Table Tennis Association, and shall never have represented any league in the competition in any previous season.

or (d) They shall not represent different leagues in successive seasons.

14.—A player having played more than once for any higher team, shall not be eligible to play for any lower team. In the event of a league having more than one team in a division, players must, in addition to being registered in order of merit, be registered for the team in which they are intended to play. The first three men and two lady players in a League's order of merit are eligible to play for their first team only.

15.—The annual subscription shall be 7/6d. for each team entered in the Senior Divisions, and 5/- for each team entered in the Junior Division.

16.—Any player participating in the Junior Section shall be under nineteen years of age on the preceding 1st October.

17.—The County Executive Committee shall decide on all disputes concerning the contravention or interpretation of any of the foregoing Rules, and shall have power to impose such fines as they may deem necessary. The Committee's ruling on all points shall be final and binding.

## APPENDIX TO LAWS—KNOTTY POINTS

(Decisions of I.T.T.F. Rules Committee)

### 1.—Edge Balls

The phrase "Table Surface" is to be interpreted as including the top edges and corners of the table-top, and a ball in play which strikes these latter is therefore good and still in play; though if it strikes evidently the side of the table-top below the edge it becomes dead and counts against the last striker.

### 2.—Ball Returned with Empty Hand

If a player drop his racket, he cannot return the ball with the empty hand. (See definition, the racket hand is the hand carrying the racket.)

### 3.—Racket Thrown at Ball

If, in returning the ball, the racket leave the player's hand, it is a good return only if it were still in his hand at the moment of contact with the ball (see Law 11, a ball . . . shall be struck) and if it do not touch the net or move the table surface (Law 13 (c), (d), before the ball is out of play).

### 4.—Missed Service

If a player, in attempting to serve, miss the ball altogether, it is a lost point (Laws 10 and 15), because the ball was in play from the moment it left the server's hand, and a good service has not been made of the ball already in play.

### 5.—Volleyed Net Service

A net service is a let not only if otherwise good, but also if it be volleyed by the receiver. (See Laws 12 (a) and 14 (b).)

### 6.—"Open Hand" in Service—Physical Disability

Strict observation of the prescribed method of service may be waived where the umpire is notified, before play begins, that compliance by the player in question is prevented by physical disability.

### 7.—Ball Fractured in Play

If the ball split or become otherwise fractured in play, affecting a player's return, the rally is a let (Law 12 (c)). It is the umpire's duty to stop play, recording a let, when he has reason to believe that the ball in play is fractured

or imperfect: and to decide those cases in which the faulty ball is clearly fractured in actually going out of play, and in no way handicaps the player's return, when the point should be scored. In all cases of doubt, however, he should declare a let.

### 8.—Fixtures

A moving spectator, a neighbouring player, a sudden noise, i.e., any neighbouring object **in movement** (except a partner) should be regarded as an accident not under control (Law 12 (c)), interference from which implies a let. A stationary spectator, fixed seating, the umpire, the light, a nearby table, a continuous sound of even volume, i.e., any **relatively constant or motionless hazard**, should not be so regarded, and complain against interference from it during play should be regarded as void.

### 9.—Service Visible to Umpire

It is the responsibility of the server to serve so that the correctness of his service can be checked by the umpire. If the server is serving so that the umpire's view is obstructed, the umpire shall warn him and, on any subsequent occasion on which his view is obstructed and he may have doubt about the correctness of the service, the umpire shall call a fault.

## SPECIAL NOTES

### 1.—Table, Ball and Racket

You will see that the I.T.T.F. has amended the Laws of Table Tennis relating to the Table (Law 1), the Ball (Law 3) and the Racket (Law 4) so that the word "matt" replaces the words "non-reflecting" and "not brightly reflecting" in these Laws. A more detailed specification of the word "MATT" is added as a recommendation, as follows:—

"The requirement of a 'matt' surface for the Table (Law 1), the Ball (Law 3) and the Racket (Law 4) is to prevent a dazzling reflection of light from distracting the eye of the player, as well as discouraging the use of shiny materials in actual play."

The E.T.T.A., in bringing this change of wording and recommendation to the knowledge of players and Leagues, appreciate that it will take time to bring this into effect, but state that they will be working to this end in the coming season.

### 2.—Colour of Clothing and Racket

At the I.T.T.F. Congress meeting, the question of the colour of clothing was discussed. The outcome of this was that a further recommendation was made as follows:

"Players shall not wear white or light coloured clothing which might tend to distract or unsight the opponent. The decision as to the offence under this rule shall be with the Referee."

A general statement regarding both the Racket and the Colour of Clothing was then issued which read as follows:

"As well as discouraging the wearing of light materials or use of light coloured racket surface in actual play, Associations should take positive steps, by an approach to Manufacturers, etc., and by approving dark materials, to ensure the use of uniform or otherwise suitable types of wear, and racket surfaces that comply with this specification.

"When rubber is used on both sides of a racket, the colour shall be similar; when wood is used for either side, or for both sides, it should be dark, either naturally, or by being stained (not painted) in such a way as not to change the character of its surface.

"NOTE: The part of the blade nearest the handle and gripped by the fingers may be covered with cork or other material for convenience of grip; it is to be regarded as part of the handle."

As stated above, the E.T.T.A. appreciate that it will take time to put this into effect, but they will be working towards this end during the coming season.

### 3.—Pushing Play

The I.T.T.F. Congress decided that the experimental rule regarding pushing play had been successful and should now become a regulation. For all Open Tournaments in the 1964/65 season, the E.T.T.A. have therefore decided to adopt the following regulation :

"If a game be unfinished fifteen minutes after its commencement, the umpire (or timekeeper if one be officiating) shall cause the game to be interrupted by declaration of a 'Let' and the players shall be notified before the next service that the game in progress will proceed under the following rule :

"The player shall be permitted to hit the ball 12 times excluding the service stroke, and if all such strokes are safely returned by the opponent, one point shall be scored by the opponent.

"The server for the point interrupted shall serve for the first point after the interruption, and thereafter the service shall alternate after each point whilst this rule is in force.

"Where in a match, this rule has been applied in one game it shall be applied ten minutes after commencement in each of the subsequent games of the match.

"Counting shall be carried out by an official other than the umpire (by the time-keeper if one be officiating)."
